OIL CONTROL BILL IS DEFINITELY DEAD FOR THIS SEASON

HOUSE COMMITTEE VOTED TWELVE TO FIVE NOT SO CONSIDER MEASURE

WASHINGTON, June 14. (P)—The house interstate commerce committee voted 12 to 5 today not consider the Disney administration supported oil production control bill at this session.

President Roosevelt had requested passage at this session

Chairman Rayburn (D-Tex) dis closed the committee had adopted instead a resolution for submission to the house suggesting the appointment of a subcommittee to investigate the necessity for oil legislation. It would report at the next congress. next congress.

Most observers believed the committee's action definitely killed the prospect of oil legislation at this congress, despite the fact that a bill almost identical with the Disney measure is pending in

the senate.

Almost simultaneous with the committee's vote Secretary Ickes, the oil administrator, issued a statement by the petroleum administrative board described as an "answer to numerous misrepresentation" made before the committee by opponents of the bill. The board hit first at a claim that production allowances under the oil code have been below market requirements. It said:

"This position of the opponents

As the delegates filed into the hall, M. F. Tighe, president of the association of iron, steel and in workers, said the union would insist on "recognition."

He described President Rooseveit's labor control plan as un-clear and unsatisfactory.

Meanwhile in Washington the President's plan was attacked by senate republicans who also de-clared it unsatisfactory.

William Green, president of the American Federation of Labor, ex-pressed a similar view.

VESSEL BURNED AND SANK SUNDAY NIGHT 120 MILES OFF COAST HONDURAS

NEW YORK, June 13.-(P)—The destruction by fire of a nitrate laden freighter, so suddenly that her crew was forced to take to boats without calling for help by

drifting in a lifebout for nearly three days.

The burned ship was the Norweigan freighter Knut Hamsun, bound for the United States with a load of Chilean nitrate. First

word of her destruction came from the United Fruit liner Zecaps which reported the rescue of the captain and 16 members of the

captain and 16 members of the crew.

They were picked up in the Caribbean sea approximately 30: miles north of Colon, Fanama. Captain George McBride of tic Zacapa in a brief message to his office here, said the Knut Hamsun burned and sank Sunday night.

A later message said the Zacapa had made a 2 1-2 hour search for a missing lifeboat containing 17 nien, but without results. The two messages were all that had heen received from Captain Mc-Bride and whether he had given up hope of finding the men could not be learned.

BLACK-DRAUGHT

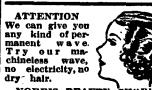

"Such a Good Laxative," Says Nurse Writing from her home in Fes-tus, Mo., Mrs. Anna LaPlante says: "I am a practical nurse and I recommend to some of my patients that they take Black-Draught, for it is such a good laxative. I took it for constipation, headache and a dull feeling that I had so much. A few doses of Black-Draught—and I felt just fine."

Because so many people know from having used it that Thedford's Black-Draught is a good, purely vegatable laxa-tive, millions of packages of it are sold every year.
